

those who have completed not less than 30 years of service, will be eligible for a maximum of 60 months of salary/wage as compensation. This will be subject to the amount, not exceeding the salary/wage for the balance period of service left (at the rate of monthly salary/wage at the time of voluntary retirement). Under Gujarat package an employee is entitled to get compensation consisting of salary of 35 days for every completed year service and 25 days for the balance of service left until superannuation. The compensation will be subject to a minimum of Rs. 25000 or 250 days salary whichever is higher. However, this compensation shall not exceed the sum of the salary that the employee would draw at the prevailing level for the balance of the period left before superannuation. Salary for purpose of VRS will consist of basic pay and DA only. Arrears of wages due to revision etc. will not be included in computing the eligible amount. Payment of bonus should conform to the provisions in the Bonus Act. Casual leave may be encashed in proportionate measure upto the date of VRS. Under these packages in addition to *ex-gratia*/compensation, notice pay, leave salary, TA for settling etc. are also given.

Beautification of Railway Stations in Gujarat

***408. SHRI BACHANI LEKHRAJ:** Will the Minister of RAILWAYS be pleased to state:

(a) the details of works undertaken to improve and beautify various railway stations in Gujarat during 1999 and 2000 calendar years; and

(b) the details of improvement and beautification plans prepared and cleared for the calendar year 2001?

THE MINISTER OF STATE IN THE MINISTRY OF RAILWAYS (SHRI DIGVIJAY SINGH): (a) and (b) Railways do not undertake any beautification works as such. However, improvement of Railway stations is undertaken on need based programme so warranted by growth in passenger traffic depending upon the overall availability of funds.

During 1999 and 2000 calendar years, allocation of Rs. 20.42 crore

and Rs. 30.69 crore respectively were made for underaking such works to Western Railway which includes the State of Gujarat. Works undertaken in the years 1990-2000 and 2000-2001 in the State of Gujarat are shown in the enclosed statement.

Projects for railway facilities in Gujarat

****409. SHRI GOPALSINH G. SOLANKI:** Will the Minister of RAILWAYS be pleased to state:

- (a) whether Government have taken up a number of railway projects to improve railway facilities in Gujarat, especially at Jamnagar in Saurashtra region;
- (b) if so, the details thereof;
- (c) whether any black-listed contractors have been awarded contract for above works/projects; and
- (d) if so, the details thereof and the reasons therefor?

THE MINISTER OF STATE IN THE MINISTRY OF RAILWAYS (SHRI DIGVIJAY SINGH): (a) and (b) Investment planning on Railways is made keeping a national perspective in view and taking an integrated view of traffic demands as well as of System requirements. Geographical boundaries of a State do not form a criterion for taking investment decisions.

Details of Railway projects in progress on Western Railway and Northern Railway, covering areas in the State of Gujarat, including Jamnagar in Saurashtra, are given below. These projects when completed will help to improve Railway facilities in these areas.
